I'm grateful for the opportunity to earn your trust.

Please find my CV on page-3, profiling the years of experience I've enjoyed as an international announcer, host and emcee. I also encourage you to visit STADIUMANNOUNCER.COM for a deeper dive into my career.

STADIUM ANNOUNCER | PROVISIO

On page-2, I have provided a standard event proviso that will be customized for your event. The document includes a timeline, contract requirements, on-site necessities, services provided, and an agreed upon fee.

CONTRACT REQUIREMENTS: Round-trip transportation from Boston (USA) to your location, hotel accomodation with reliable internet, and transportation to and from the venue.

ON-SITE NECESSITIES: A work station including a desk, chair, reliable internet and working printer, along with a dedicated microphone for exclusive use.

SERVICES PROVIDED: On top of the standard responsibilities involved with hosting or announcing your event, additional services include research, writing, emceeing special activities, and voice over for in-stadium and social content produced by your team.

STADIUM ANNOUNCER | RELIABLE. VERSATILE. FLEXIBLE.

Global events require a dependable announcer who understands your team's vision, needs and deadlines. That said, it is just as important that your talent be flexible enough to shift and adapt as the event evolves. With over 20-years of experience as a team player in premier, high-stakes sport production, I am confident that I can help lift your production, exceeding your organization's expectations.

Let's arrange a call to discuss your event's requirements further. My contact information is provided above.
